The VIP Restrooms

Our VIP restroom trucks are designed to deliver a refined, hygienic experience for cast and crew setting a new standard for on-set amenities.

Thoughtfully designed interiors, premium finishes, and smart details transform a basic necessity into a comfortable, high-end experience.

Premium Restroom Experience:

Spacious, well-designed interiors provide a clean, comfortable restroom environment that enhances cast and crew comfort throughout the shooting day.

Hygiene & Cleanliness Focus:

Thoughtfully designed layouts and easy-to-maintain surfaces support high hygiene standards and encourage a clean, shared space on set.

Luxury Facilities for You

Nature calls, but your production doesn't have to stop. Apple Box Toilet Trucks elevate the on-set experience by delivering exceptional hygiene, comfort, and style in a discreet, professional unit.

Designed to blend seamlessly into your set, our toilet trucks ensure cast and crew enjoy a clean, comfortable environment throughout long shoot days. change the heading

- **Spacious Private Cabins**
Designed to accommodate multiple crew members at once with individual, private restroom cabins for comfort and privacy on set.
- **Extended On-Set Operation**
Large 3,000L fresh water tank and 100L waste tank support long shoot days while reducing the need for frequent servicing.
- **Clean & Professional Design**
Sleek, modern interiors and exteriors maintain a polished, professional appearance that blends seamlessly into any production environment.

Features & Amenities:

Spacious & Private Cabins

Four individual cabins (2 male, 2 female) ensure privacy and comfort for all.

Convenient Amenities

Each cabin features a sink with running water and a shelving unit for personal belongings.

Climate Control

Air conditioning and heating ensure year-round comfort in any environment.

Luxurious Feel

Experience an upscale atmosphere with high quality finishes and thoughtful design elements.

Vacuum-Compressed Toilets

Advanced vacuum-compressed toilets ensure clean, efficient use with no odors or overflow.

Designed for Seamless Production

We go beyond standard portable facilities to deliver a premium on-set restroom experience that enhances crew comfort, efficiency, and professionalism throughout the shoot.

Designed for high-demand productions, Apple Box Toilet Truck support smooth workflows while keeping your team focused on what matters most.

Key Advantages:

- **Enhanced On-Set Experience**
Our luxury restroom trucks offer a major upgrade from basic portable units boosting crew morale, reducing stress, and creating a more positive working environment.
- **Increased Productivity**
Well-maintained, readily available facilities minimize downtime and disruptions, keeping your production moving efficiently.
- **Professional Image**
Top-tier restroom facilities reflect a polished, professional production demonstrating care for cast and crew comfort at every level.
- **Hygiene & Sanitation**
Large-capacity water and waste tanks ensure a clean, hygienic restroom environment free from odors and overflow.

Happy Crew, Happy Set

Don't let basic on-set facilities disrupt your production or compromise crew comfort. Apple Box Toilet Truck elevate the filming experience by providing a premium alternative to standard portable restrooms.

Designed for professional productions, our toilet trucks ensure comfort, hygiene, and reliability—so your cast and crew stay focused, refreshed, and productive throughout long shoot days.

Self-Sufficient Production Wardrobe Truck

Apple Box wardrobe trucks are built to operate independently, minimizing reliance on external facilities and ensuring uninterrupted production wherever the shoot takes you.
