Focus on Creativity:

Apple Box Unit Trucks are your on-set lifeline, built to support productions in any environment.

We go beyond basic transport and storage delivering a fully equipped mobile production hub that keeps your crew comfortable, organized, and focused on what matters most: creating great content.

From scorching deserts to cold mountain locations, our trucks are prepared for every production challenge.

Versatile Equipment:

A comprehensive range of on-set essentials designed to handle unexpected production needs from fast setup gear to practical on-location solutions.

Catering Command Center:

A fully equipped catering station that keeps your cast and crew energized throughout long shoot days.

Effortless Workflow:

Apple Box production trucks are more than storage they are the nerve center of your production.

Every detail is designed to keep your crew comfortable, productive, and focused from call time to wrap.

Our fully equipped units streamline workflows, reduce downtime, and ensure everything you need is always within reach.

- **Streamlined Workflows**
Intuitively organized layouts eliminate wasted time and frantic searches, keeping operations efficient and smooth.
- **Creative Comfort Hub**
Dedicated break areas and climate control create a focused, comfortable environment for your crew to perform at their best.
- **Boost Productivity**
Minimize downtime and maximize output with a centralized, well-organized production setup.
